Summary

Highly skilled *PHP Laravel Developer* with 4 years of experience in designing, developing, and maintaining web applications. Proficient in utilizing the Laravel framework to create scalable and efficient solutions. Adept at collaborating with cross-functional teams and delivering high-quality code. Strong problem-solving abilities and a deep understanding of software development best practices. Committed to continuously learning and staying up-to-date with the latest industry trends and technologies.

Skills:

PHP: Expert in PHP development with a focus on Laravel framework.

Laravel Framework: Extensive experience in building robust web applications using Laravel's features and components.

MySQL / PostgreSQL: Proficient in working with relational databases, writing complex queries, and optimizing database performance.

HTML/CSS/JavaScript: Solid understanding of front-end technologies for creating responsive and user-friendly interfaces.

Version Control: Proficient in Git and experience with collaborative development workflows using GitHub or GitLab.

API Development: Strong knowledge of RESTful API development and integration with third-party services.

Testing and Debugging: Skilled in unit testing, integration testing, and debugging techniques to ensure code quality and reliability.

Agile Methodologies: Familiarity with Agile development methodologies and experience working in Agile teams.

Experience

Turing.com | Abbottabad, Khyber Pakhtunkhwa
php developer | 05/2019 - 06/2023

Developed and maintained web applications using PHP Laravel framework, ensuring high performance, scalability, and security.

Collaborated with cross-functional teams, including designers and frontend developers, to implement user-friendly interfaces and seamless user experiences.

Designed and implemented RESTful APIs to integrate with external services and enable data exchange.

Optimized database queries and ensured efficient data retrieval and storage.

Conducted thorough testing and debugging to identify and resolve software defects.

Participated in code reviews and provided constructive feedback to improve code quality.

Worked in an Agile development environment, collaborating closely with team members to meet project deadlines and deliver high-quality solutions.

Skills

PHP, Laravel, software developer, Software Development

Education

Technical University of Sofia | Abbottabad, Khyber Pakhtunkhwa
Software Engineer | 06/2019

Degree in Computer Science/Software Engineering/Information Technology
