Directions: You will be asked to perform two writing tasks in Chinese. In each case, you will be asked to write for a specific purpose and to a specific person. You should write in as complete and as culturally appropriate a manner as possible, taking into account the purpose and the person described.

The four pictures present a story. Imagine you are writing the story to a friend. Narrate a complete story as suggested by the pictures. Give your story a beginning, a middle, and an end.
