## Hope Chinese School Bilingual 2 Teaching Plan

老师: 周红 & Ricky 姓名: \_\_\_\_\_ 日期: 03 / 11

### 本日学习内容 (What we have learned today)

1. Lesson 11 他怎么了? What is the Matter With Him? / New Vocab
2. Class conversation and participation: In Chinese, when you ask 怎么了? It generally means “what is wrong with you?” or “What happened to you?” When asking this question, you don’t have any prior knowledge about this. Use “怎么了?” to have some conversations with students.
3. Review the song we learned from last class “二十五块”, and learn a new song: 怎么了?  
贝贝猪, 怎么了?  
今天没有来学校。  
我问朗朗知不知道,  
朗朗说: “贝贝猪现在在睡觉。”
4. Teaching Objective: Help students understand expressions of concern from others and understand expressions of time.
