informationAccount ☒Family account ☐Other Account

Type

Open only one account each family. The first family member must be a parent. Once a family account is activated, you can add more family members.

Email

A valid email is required to activate your account. This email box can't be an existing one in system.

Login ID

Choose a unique user name, which can be 5 to 20 characters of any mix of letters or numbers.

Password

Minimum of 6 characters of letters, numbers, or special characters. Letters are case sensitive.
